**WHEREAS**, local governments confront rising public expectations regarding the delivery of services. Despite more than two decades of implementation of Republic Act (RA) No. 7160 (Local Government Code of 1991), however, local governments still face the various challenges in the exercise of their devolved service delivery functions. Foremost among these is the raising of sufficient funds for local development;

**WHEREAS**, cognizant of the need to provide further support to the LGUs to enable them to fully carry out functions devolved to them while at the same time, building their capacity towards genuine fiscal autonomy, the National Government has scaled up its efforts to ensure meaningful devolution.

**WHEREAS**, to this end, the Local Government Support Fund (LGSF) was included in the FY 2018 General Appropriations Act (GAA), also known as Republic Act(RA) No. 10964, to cover the following:

- a) Assistance to indigent individuals or families
- b) Assistance to indigent patients either confined or out-patient (including professional fees)
