WHEREAS, in 2014, the Department of Health started the "Nurse Deployment Program" which was later on changed to "Human Resources for Health".

WHEREAS, through the said program, nurses under the employ of the DOH were deployed to the City of Bacoor to enhance public access to quality healthcare. Back then, the city's accomplishment in various health programs were low due to insufficient number of health workers.

WHEREAS, in 2022, the City of Bacoor has 35 nurses and 5 midwives that conducted various health programs for the city government especially in barangays with high numbers of informal settlers and indigent population. The said health workers employed by the DOH also played a crucial role in helping the City of Bacoor face the challenges brought about by the COVID-19 pandemic.

WHEREAS, the sudden cancellation of the continued deployment by the DOH of the 35 nurses and 5 midwives under its employ to the City of Bacoor, will severely affect the conduct of essential health care programs/activities of the city government due to the insufficient number of health workers that will remain in its various health centers.

NOW THEREFORE, upon motion of Hon. Alde Joselito Pagulayan unanimously seconded by the members, **BE IT RESOLVED AS IT IS HEREBY RESOLVED** by the 5th Sangguniang
