WHEREAS, the intention of the said ordinance was to merge the **local governments of various barangays** in the City in accordance with Section 6, Chapter II of Republic Act No. 7160 (the **"Local Government Code of 1991"**) by means of an ordinance and **not** to merge the senior citizens associations of the said barangays. However, the unintended consequence of the said merger is the confusion it caused among officials of various senior citizens associations in barangays that were merged with other barangays to make a new barangay with regard their respective organizational structures particularly, the term of office of the presidents of the said associations.
